## Autumn 2013

*"Crescendo classes are individually created music sessions for the Early Years; children aged 0-6.5 years old. The sessions aim to introduce your child to music through singing and the use of instruments incorporating games, rhythm activities and group percussion."*

### MEET THE TEAM

♪ This half term the main teachers will continue to be myself (Finn Ros) and Nicole Wyatt. We are also lucky enough to have the trombonist Pete Crocker joining us for at least one session in the first half term. Other musicians and visitors will be announced in due course. ♪

### CRESCENDO NEWS

♪ *Welcome!*

Welcome to the start of a new year for Crescendo, and what an exciting year we have lined up for you and your children! After the helpful responses that we had back from the parent's questionnaire, we are making every effort to incorporate as many new and exciting musicians and instruments into the sessions as we can...

♪ *New Names*

As of the start of term, the classes will have brand new names. The class previously known as Cocoons will be Crotchets, Butterflies 2 will turn into Minims and Butterflies 1 will be the Semibreves. The youngest class (for children up to the age of 2 years old) will be known as the Quavers.

♪ *Crescendo Choir*

This year, for the first time, we will be creating a Crescendo choir. After the success of the summer concert, we think that the eldest class are more that ready for some more formal group singing. That's not to say that we'll be doing any less in any of the other groups!
